

Project ReCreation Institute - Participant Application
WestCoastEdutainment.com

West Coast Edutainment is conducting the Project ReCreation Institute to address the non academic barriers to success (counter productive beliefs, attitudes, values, perceptions and behaviors) teens face. Our vision is for all teens to become career ready, live their dream lifestyle, and fulfill their purpose in life.

We are looking for participants who have room to grow (improve) and a desire to grow. They must be willing to work to reach their dreams.

The areas of growth we are interested in are: sense of “connectedness” with your school, understanding what it takes to reach your dreams, grades, attendance, behavior, and your belief that you can handle conflict and academic work. Submit application by October 17, 2018. Program starts October 28, 2018

Please submit the following documents and fill in the information below:

1. Most recent semester report card (must have a 1.5 to 3.2 GPA)
2. Most recent semester attendance record
